***Fall festival in picturesque, historic Hanover Square
in downtown Brunswick to benefit***

Alzheimer's of Glynn/Brunswick, Inc.

Hanover Square, a grassy park graced by ancient live oaks, reflecting the charm of 19th Century Brunswick with its historic fountain, provides an elegant setting for antiques and art.

This fall festival expands the downtown Brunswick experience on Stewbilee Saturday, and will offer antiques, arts, and health-related vendors, acoustic musicians, carriage rides, book-signing with local authors, and more.

Something for everyone.
